

RABBIT INU

2023 THE YEAR OF THE RABBIT

THE YEAR OF THE RABBIT

The Rabbit is the 4th animal in the Chinese Zodiac, and begins during the transition of the Chinese New Year in January 2023. The Rabbit is known to be the luckiest out of all the twelve animals and symbolizes many great attributes such as mercy, elegance & beauty.

The qualities the Rabbit carry, are similar to those Rabbit Inu plans to carry out through it's community. Rabbits are known to be calm and peaceful individuals, who avoid negative energy and know how to have a good time.

NFTS & STAKING

NFT MINTS, REWARDS & COMPETITIONS

The goal of the Rabbit Inu NFTs are to allow the community to earn rewards, while representing a lucky Rabbit & Spreading the Rabbit Inu brand. Through the NFT release, there will be 3 sources of returns:

- NFT Mint & Hold Rewards: 50% of funds received through the Mint process will be sent to a buyback rewards contract and distributed to those who own an NFT. This provides rewards to NFT holders in the form of RINU tokens and creates buys on the chart. Minting NFTs earlier grants higher rewards.
- Rabbit Inu Marketing: The remaining 50% of the Mint funds will be used to fund additional marketing & content creation – Growing Rabbit Inu's brand awareness and enabling extensive global marketing strategies.
- 1% of Every \$RINU Token Buy and Sell will also be sent to the NFT buyback rewards contract, so those who hold a Rabbit Inu NFT earn even more.

NFT STAKING & TOKEN STAKING

To sustain a growing liquidity pool, community members will have the opportunity to stake their \$RINU Tokens to earn extra tokens! Lock in for a variety of time durations, and earn high APY as we progress through 2023, the Year of the Rabbit.
